Gender Dynamix of Aotearoa

Welcome to Trans Pride!
During this event we are celebrating our gender diverse community as well holding space for Trans Day of Rememberance which celebrates, mourns, and remembers the lives of our trans peers that we've lost over time.

Who we are
Gender Dynamix provides mental health services, peer support, and transition-specific support to transgender, gender diverse, nonbinary, takatāpui and irawhiti communities in the Bay of Plenty.

Reminder that many of the local Historic Village stores will be open and celebrating with us. Please check out their stores as well as our stalls. We hope you love the day!
